

Dynamic Supplies - Operational Update

Level 4 status update from Midnight Wednesday 25th March 2020

Dynamic Supplies will continue to operate

The Customer Service and Warehouse teams will work within the Ministry of Health (MOH) guidelines ensuring our products get to essential services and businesses.

To ensure wellbeing of staff and families we have implemented isolated and split teams.

Courier cut-off for orders will be 1.00pm, we ask your assistance to consider this in your order planning. We will continue to punch orders continuously through the day.

All orders should continue to be sent to sales@ds.co.nz

We'd like to offer our thoughts to everyone during this unknown time and assure you that Dynamic Supplies will endeavor to take every action to minimize any interruption and support you in the safest way possible.

If you have any questions please do not hesitate to contact us.

Regards

The Dynamic Team
